

PMA LEARNING CHALLENGE ONE...

Week 3, Term 4, 2020

Meet our Ellie Echidna! Watch the video of Ellie out for a walk and then choose one of more of the questions to investigate...

Here's the video link

<https://www.youtube.com/watch?v=fqpY9LJQMqE>

How big is Ellie? What do you think her dimensions would be?

How fast do you think Ellie is walking?

How far do you think Ellie has travelled in the video?

How long do you think it would take Ellie to walk one hundred and fifty metres?

If Ellie kept walking for ninety seconds, how far do you think she would travel?

What about if she walked for four minutes – how far would she get?

How many spikes do you think Ellie has on her body?

How long would her longest spike be?

CHOOSE A QUESTION (OR MORE), INVESTIGATE and THEN SHARE YOUR THEORIES AND JUSTIFICATIONS WITH US 😊

This is one of Ellie's friends!
